Certificate of Completion

This is to certify that **Aban Ali**,
have successfully completed their HDSE Semester 1 E-Project.

Submitted to: **Aptech Computer Education**

On

20th, 2023

Acknowledgement

First of all we would like to thank Almighty Allah for giving us strength and ability to complete this project.

And then, we would like to express my special thanks of gratitude to our teacher **Sir Tameez Nawab** who guided us on the project *Kitchen Appliances*, which also helped us in doing a lot of new learning and we came to know about so many new things we are really thankful to him.

We are highly thankful to **Sir Tameez Nawab** for his guidance and constant supervision as well as for providing necessary information regarding the project & also for his support in completing the project.

Lastly, we would also like to thank our parents and friends who helped us a lot in finalizing this project within the limited time frame. We also express our sincere gratitude to E-Project team from Aptech Head Office, for their valuable guidance and support for the completion of this project. We earnestly hope that this project will provide all the necessary information required by the user to fulfill his/her inspiration. However, suggestion and Feedbacks for improvements will be thankfully welcomed & acknowledged.

Problems Statement:

DURABLE FURNITURES is selling various types of Furniture's. The company advertises by distributing the pamphlets, advertising on television and so on. Due to rapid development in internet field, the company decides to launch a website where people will get all the information about the various products available with them easily.

Proposed System

To overcome problems, it is proposed to develop a website which includes their main navigation pages of all the products which they want to sell.

So in this way they can easily enhance their business and expand their sale and services all over the world.

Hardware and Software Requirements

Hardware

- A minimum computer system that will help you access all the tools in the courses is a Pentium 166 or better
- 64 Megabytes of RAM or better

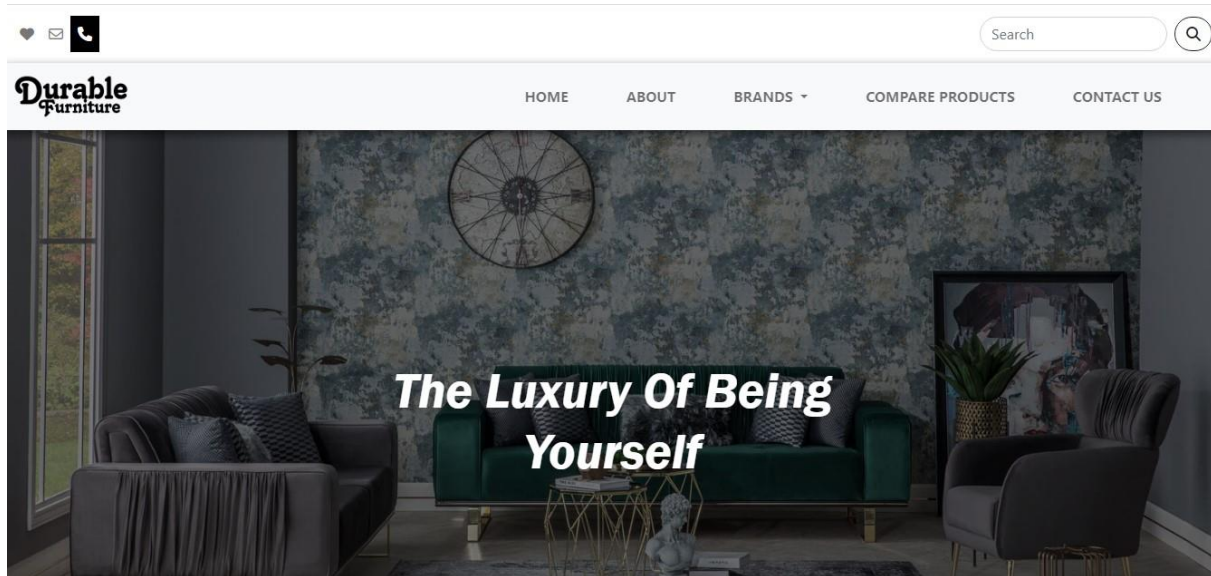

Software

- Notepad/HTML editor
- Dreamweaver
- IE 5.0/ Netscape 6.0

Website Features

This website Durable Furniture, contains almost all of the furniture and home decors. So, the development of this website gives people to purchase their Furniture's by single click. This site contains pictures and description along with their prices of all those products which they were selling in their web.
